Dear UAS Parents,

The Universal American School administration would like to inform you that **Reservations are now open for Nursery/KG1 for the Academic Year, 2023-2024.**

Re-Enrollment for the upcoming Academic Year, 2023-2024 will be open as a priority for UAS students and their siblings from December 1, 2022 until January 31, 2023.

Our primary interest is to retain current students, therefore it is imperative for parents to re-enroll their children during the above mentioned period. We need to place students in their proper classes for the next academic school year based on their individual needs and interests. **Only UAS students and their sibling have the opportunity for enrollment during this time period.** New/Non UAS student's applications will also be accepted for the 2023-2024 enrollment consideration beginning of February 1, 2023.

Please note that:

- Students whose tuition payments have not been completed for the current Academic Year, 2022-2023, will not be allowed to re-enroll for the upcoming Academic Year, 2023-2024 until payments are fully completed and considered current.
- Students who have been placed on academic/behavioral/attendance probation for the remainder of the first semester of the 2022-2023 academic year will not be eligible for re-enrollment until further review of their status.

Thank you for your co-operation with the school.

Sincerely,

Nora Al Ghanim
